## **ADMINS ANNOUNCES A NEW CONTRACT AWARD IN MASSACHUSETTS**

February 16, 2010

ADMINS, Inc., the provider of municipal financial, revenue and human resources software and related services, announced that the City of Peabody, Massachusetts began upgrading its existing ADMINS Motor Vehicle Excise module (currently operating in an OpenVMS environment) to run on the ADMINS Unified Community Windows platform. The upgrade includes software licenses, related installation, conversion and training services, and on-going maintenance and support.

The project began in February 2010 and will integrate with the existing ADMINS Unified Community *General Ledger, Accounts Payable, Purchasing, Budget, Collections* and *Treasury* applications. We look forward to expanding our successful relationship with the City of Peabody.

### About ADMINS, Inc.

ADMINS Inc. provides integrated financial, revenue, and human resources applications to the municipal market, and has been providing quality software products and best-in-class software services since 1974. ADMINS is committed to the highest level of customer service. Our client references attest to the commitment and dedication of our support staff and truly set us apart from other municipal software vendors.
