## **AVON, Connecticut Selects AUC**

CAMBRIDGE, MASS, -August 12, 2010: ADMINS, Inc., the municipal software development and services company, today announced that the Town of Avon, Connecticut selected ADMINS to install the latest Windows-based implementation of its ADMINS Unified Community financial applications.

The Town of Avon, Connecticut has signed on to replace its existing financial software applications with ADMINS Unified Community applications for General Ledger, Accounts Payable, Purchasing, and Budget. The project is scheduled to begin during October 2010. The Town currently operates on an in-house developed financial applications system. The new versions of the ADMINS Unified Community applications will be installed on the Windows platform.

About ADMINS, Inc.

ADMINS Inc. provides integrated financial, revenue, and human resources applications for the municipal market, and has been providing quality software products and best-in-class software services since 1974.
